The map displays the Vyškov region with two primary rally routes highlighted in red. Route RZ 3/6, labeled "HLUBOČANSKÁ - IVANOVICKÁ BRÁNA", starts near Zlínmark and traverses through the town of Vyškov, passing landmarks like Pazderna, Brňany, and Topolany. Route RZ 2/5, labeled "HVĚZDLICKÁ", begins in the southern part of the map near Hlubčany and extends towards the northeast, passing through areas like Zvonovice, Kučerov, and Hvězdlice. The map is densely populated with traffic signs: white triangular signs with red borders for 'Pozor' (Caution) and 'Předem varování' (Advance warning), orange rectangular signs for 'Zlínmark' and 'KÚJK', and various directional and regulatory signs. Landmarks and settlements such as Pazderna, Brňany, Topolany, Zlínmark, KÚJK, Hlubčany, Zvonovice, Kučerov, Hvězdlice, and Chvalkovice are clearly marked. The map also shows a network of roads, including major routes like the I/51 and I/52, and smaller local roads. A scale bar at the bottom left indicates distances up to 1000 meters. The map is oriented with North at the top.
